ADULT LIFE GROUPS

How do adult Life Groups work? We're glad you asked!

Step 1: Join a Core Group—this group is your “home base.” A place where you can participate in the main church-wide Bible study and enjoy fellowship with a small group. These groups do not change each quarter, but provide consistency and build community. *We encourage everyone to be in a Core Life Group.*

Step 2: Choose an Elective Class (if desired). Each quarter, new Elective Classes are offered. From time to time you may see a subject that you'd like to learn more about. The Elective Classes are designed so that you can step out of your Core Group for a short time to learn more about a subject that interests you and enhances your walk with Christ.
